Dunmore East RNLI Lifeboat Shop

In conjunction with the **Tús** Community Work Placement Initiative, Waterford Leader Partnership Ltd is delighted to be involved with the **Dunmore East RNLI Lifeboat Shop**, in providing beneficial assistance to this most worthwhile Charity, and providing meaningful employment to our Tús Participant.

The RNLI is an institution which needs little explanation and provides an invaluable service in the waters around Ireland and Britain. The courageous men and women who crew the lifeboats are the mainstay of the operation, but the work that they do is funded by voluntary donations and fundraising. Throughout these islands, there are local community organisations who fundraise for the Lifeboat Service.

Dunmore East Lifeboat Committee is one of these and has for many years, toiled ceaselessly to raise funds to support the RNLI. In recent years this has included operating the Lifeboat Shop. Here all manner of items, branded for the RNLI, are sold, with all proceeds going to supporting the Lifeboat Service.

Dunmore East RNLI Lifeboat Shop is situated on the upper floor of Dunmore East Lifeboat Station, in Dunmore East Harbour, and can be accessed from the harbour or from the road above.

So whether it be for a sea themed novelty toy for the children, or the ever popular range of RNLI Christmas Cards, this shop is worth a visit.

Tús Participants assist in staffing this shop and as such are aiding in the provision of a hugely important service to the wider community.
