

Local Employment Service (LES) Carrick-on-suir Office continues to support Job Seekers...

The Local Employment Service (LES) is a specialist adult guidance service. Our core work is to help jobseekers back into employment, training and/or education. The jobseeker, in working with our qualified Employment Guidance Officer, creates a personal progression plan that both Employment Guidance Officer and jobseeker agree upon. For the duration of the jobseeker's work with us they will actively follow their plan to achieve their goal. To achieve this, the jobseeker will work on a one-to-one basis with the Employment Guidance Officer exploring options to assist return to work, including Education & Training; Community Employment (CE).

The LES (Co-ordinated by Waterford Leader Partnership CLG (WLP CLG)), under contract to the Department of Employment Affairs and Social Protection (DEASP), is based at the Nano Nagle Community Resource Centre, Carrick-on-Suir and assists jobseekers with taking those practical steps needed to secure employment; access training and educational opportunities. The LES refers jobseekers to a wide variety of training and education courses including ETB (Education and Training Board), South Tipperary Development Company CLG. (SICAP), Skillnets, Springboard (3rd Level). The LES also makes referrals to DEASP for applications for the Back to Work Enterprise Allowance (BTWEA). Assistance is also provided with CV's; Job Applications; Interview Preparation. Our Information areas contain weekly copies of our Job Pack which includes vacancies for Tipperary South, Waterford City and County and Kilkenny. Our notice-boards are full of information to assist jobseekers using our services. Please use this facility to check and identify suitable job vacancies; CE Schemes etc.

The LES also posts information on current job vacancies on the Jobseekers page on WLP CLG's website, www.wlp.ie , where jobseekers can view the job vacancy listings, along with Education and Training Course information. The LES also posts updates on new job vacancies on its Facebook page, "County Waterford LES".

To register with the LES, or for more information on training supports available, please contact Annie Dalton (Employment Guidance Officer) or Eithne Skehan (Administrator) on 051-649516. The office is open, Monday to Friday, from 09.00am-5.00pm. The LES is a free service to all individuals in receipt of a Social Welfare payment.
