For the duration of the jobseeker's work with us they will actively follow their plan to achieve their goal. To achieve this, the jobseeker will work on a one-to-one basis with the Employment Guidance Officer exploring options to assist return to work, including Education & Training; Community Employment (CE); etc.

The LES, (Co-ordinated by Waterford Leader Partnership CLG (WLP CLG)) under contract to the Department of Employment Affairs and Social Protection (DEASP), is based at the Presentation Building, Mitchell Street, Dungarvan and John Barry House in Lismore, and assists jobseekers with taking those practical steps needed to secure employment; training and educational opportunities. Assistance is also provided with CV's; Job Applications and Interview Preparation. Our Information areas contain weekly copies of the Waterford County and City newspapers, including DEASP job vacancy listings (open to all Jobseekers) and our notice-boards are full of information to assist jobseekers using our services. Please use this facility to check and identify suitable job vacancies and CE Schemes which are available in Waterford (County and City) and further afield.

The LES also posts information on current job vacancies on the Jobseekers page on WLP CLG's website, www.wlp.ie, where jobseekers can view the job vacancy listings, along with Education and Training Course information. The LES also posts updates on new job vacancies on its' Facebook page - County Waterford LES. The Local Employment Service Network (with its 25 locations countrywide), also has an interactive website, www.localemploymentservices.ie

To register with the LES, or for more information on training supports available, please contact Niamh Kuhne (Employment Guidance Officer) or Paula Hennessy (Administrator) in the LES in Dungarvan on 058 45750. The office is open, Monday to Friday, from 9am - 5pm - the LES is a free service for all individuals in receipt of a Social Welfare payment.
