The Nationalist ^{Waterford} News & Star

Business Development Manager

The Carlow Nationalist, Kildare Nationalist, Laois Nationalist and the Waterford News & Star are part of The Irish Times Regional Newspaper portfolio and are premium news publishing brands in their respective circulation regions, producing quality content for our readers, providing media solutions for customers and we continue to grow and evolve in a fast-paced changing media landscape.

We have seen significant growth in the past twelve months in our digital audience across Carlow, Kildare, Laois and Waterford and wish to recruit a Business Development Manager to further grow and maximise the commercial and business opportunities for these brands in the South East.

Based in the South East, the role will involve developing sales propositions and commercial partnerships with a strong emphasis on digital campaigns and partnerships. The person appointed will be responsible for managing key client relationships and creating media packages and customised media proposals. S/he will work closely with other members of the team to develop efficient digital solutions packages that meet the needs of our clients.

Candidates will have a strong track record in client account management and new business development. S/he will have previous digital sales experience and an interest in digital media and the media market. The role requires someone who is commercially driven with the ability to develop and deliver effective media solutions for our clients and will suit someone who is comfortable selling directly to brands.

The successful candidate will have excellent collaboration and communication skills and will demonstrate the ability to work independently and as part of a team.

The closing date for applications is the 29th November 2019.

If you are interested in applying for this position, please send your CV and cover letter, to HR Manager, The Examiner Group, Linn Dubh, Assumption Road, Blackpool, Cork or human.resources@examiner.ie

Waterford & South Tipperary Community Youth Service

Applications are invited for the following part time post

Intercultural Health Advocate for Programme Refugees (Part Time 2 days per week)

Funded by H.S.E Social Inclusion, the Intercultural Health Advocate will coordinate health services and support delivered to Refugees living in the Emergency Reception & Orientation Centre (EROC) in Clonea Reception Centre, Dungarvan, Co. Waterford.

Based in Dungarvan, the Intercultural Health Advocate will:

- Provide Refugees with health information, orientation & wellbeing sessions and will support refugees to access health services and supports.
- Work in partnership with service providers to ensure delivery and engagement into health services & supports with Refugees living in Clonea EROC.
- Establish support structures that enable appropriate access to services and supports.

Applicants for the above post would ideally have qualifications in Community Health, Human Rights, Community Development or related field. Experience of working in health care or a related sector and knowledge of Intercultural Health is required along with knowledge of the Programme Refugee process. Successful applicant must have ability to work within a team and on own initiative; must have excellent communication, reporting, I.T., facilitation and networking skills. Own transport is essential.

Desirable skills and experience includes previous experience of design and delivery of initiatives particularly in health, knowledge of diverse cultural backgrounds and experience of working with vulnerable people. Ability to speak Arabic is desirable.

Applications in the form of curriculum vitae should be forwarded to:

Team Member - Domino's Pizza Dungarvan

Who are we?

We're the number one pizza company in the world and this is a fantastic opportunity for you to join our team and play a major role in our brand's success.

Who are we looking for?

For starters, Domino's team members are passionate about customer service. If this role is right for you, you'll probably love talking to people and you'll take pride in your work.

Every pizza we make, bake and take to our customers is the result of a great team working together. Domino's team members are team players. We support each other and we've always got each other's backs.

If you were nodding your head as you read that and you believe you can have fun while working hard, you don't need previous experience. We'll provide you with all the training and support you need to be successful at Domino's.

What does the job involve?

You'll need to uphold our positive brand image and do everything you can to deliver outstanding customer service with each and every customer.

When interacting with our customers, you'll make sure they get exactly what they want and you'll do your best to go the extra mile whenever possible.

When making our delicious pizzas from scratch (once we've shown you how of course!), you'll make sure that each and every one is perfect, following our operational procedures at all time.

You'll always keep in mind that our success depends on the strength of your team and you'll always do your best carrying out your responsibilities as part of the team.

Working hours at Domino's are flexible and many of our team members also study or work other jobs. It's important to understand that being available to work evenings and weekends is essential. Just think about the last time you ordered pizza, it was probably on an evening or weekend!

What's in it for you?

Our benefits include:

- Hourly rate of €10.10+
- Paid holiday
- Flexible working hours
- Full training
- Free staff meals
- Company discount
- Free uniform
- Excellent career development opportunities and the pride that comes with working for one of the world's greatest brands, and the number one pizza company in the world.

So, go on, join us and help us continue to be the number one pizza company in the world.

Laboratory Assistant / Technician - EFTIL

Eurofins Ireland Food Testing - Dungarvan, Co Waterford

Job Description

The Food Microbiology Laboratory is an INAB accredited analytical testing facility. The role of Laboratory Technicians is to prepare and analyse customer food samples keeping in mind efficiency, quality and accuracy standards as required by the company.

Hours of work are: Tuesday to Friday 15:00-20:00 and weekend work as required.

Responsibilities:

- Become competent in the preparation of food samples for analysis.
- Become competent in the laboratory work practices and requirements that facilitate analysis.
- Become familiar with all relevant laboratory test methods and procedures i.e. SOP's.
- Ensure that all client samples are tested on time, and notify a Senior Technician / Laboratory Manager of any time delays.
- Accurately log samples into the system in a timely manner.
- Complete all documentation on time, accurately and legibly.
- Check weights and temperatures in line with company procedures.
- Keep their training sheets up to date and initiate training where possible when able to do so.
- Adhere to all company standards in the area of safety, housekeeping and quality, notifying a Senior Technician or Laboratory Manager of any discrepancies.
- Ensure Compliance to the 17025 standard at all times by adhering to the in house quality procedures provided
- Keep the laboratory area clean and tidy.
- Ensure that the laboratory is stocked with pipettes, autoclave bags etc.
- Clean laboratory equipment as required, including fridges, incubators water baths etc.
- Ensure that all sanitiser bottles and beakers are filled and changed regularly and the correct control labels are attached to them.
- Ensure that there are no reagents or media available in the laboratory that have past their expiry date.
- Ensure that all documentation relating to customer samples is filed.
- Take part in proficiency testing as instructed by a Senior Technician.
- Provide cover for other members of staff as required and participating in the Weekend Rota.
- Be flexible to work in any area of the business as is required.

Qualifications

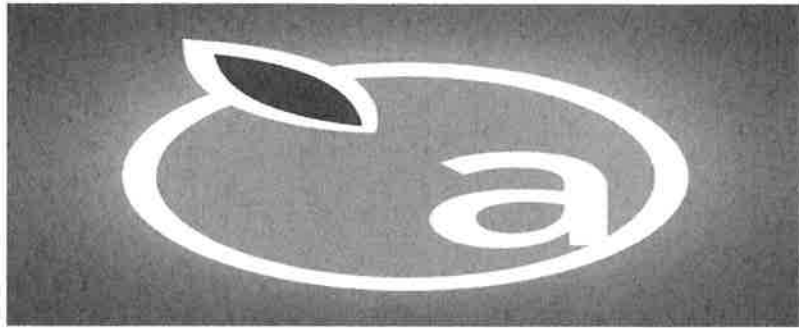

- No Science qualification is required as full training will be given, but experience in a food environment would be an advantage.
- A working knowledge of computers is essential.

Additional Information

Who we are looking for:

- Hard working self-motivated and professional team player
- Ability to work well under pressure
- Excellent attention to detail
- Ability to multi-task, prioritize, organise and co-ordinate your own workload
- Good written and verbal communication skills.

Food Worker **Applegreen, Lemybrien, Co Waterford**

Subway Sandwich Artist

Location; Applegreen Service Station, Lemybrien, Co. Waterford

Full Time Contract

Whether you join our Bakewell, Subway, Burger King or Chopstixx staff, you will become an ambassador for our brand and walk in the customers shoes; keeping them at the core of everything we do.

If you are passionate about excellent food, giving great customer service, and having opportunities to advance in your career then Applegreen is the place for you!

Your duties will include, but are not limited to;

- Delivering the highest level of customer service in line with brand standards
- Produce and present all food to brand standards
- Maintain standards of Health, Safety and cleanliness
- Operate till in line with till operation and cash handling procedures
- Complete all tasks required by the daily cleaning schedule
- Any other duties as directed by the Managers.

Previous experience is a plus, but don't worry, we provide on the job training to the right candidate!

If you are an enthusiastic, hardworking individual who want to be part of a diverse team, then this is the role for you!

ABBOTT IN IRELAND

In Ireland, Abbott employs almost 3,000 people across 10 sites. Abbott has six manufacturing facilities located in Clonmel, Cootehill, Donegal, Longford and Sligo and a third party manufacturing management operation in Sligo. It has commercial, support operations and shared services in Dublin. Abbott serves the Irish market with a diverse range of health care products including diagnostics, medical devices, nutritionals and branded generic pharmaceuticals. Abbott has been operating in Ireland since 1946.

ABBOTT IRELAND VASCULAR DIVISION – CLONMEL

Abbott Vascular is one of the world's leading vascular care businesses. Abbott Vascular is uniquely focused on advancing the treatment of vascular disease and improving patient care by combining the latest medical device innovations with world-class pharmaceuticals, investing in research and development and advancing medicine through training and education.

Our broad line of vascular devices—which includes vessel closure, endovascular and coronary technologies—are used to treat vessel diseases of the heart, carotid arteries and peripheral blood vessels. These vessel diseases can lead to heart attack, stroke, critical limb ischemia and other serious vascular conditions.

We are currently recruiting for **25 ENTRY ASSEMBLERS (6 MONTH CONTRACT)** on our Clonmel site and this position will involve the following:

KEY RESPONSIBILITIES

Responsible for compliance with applicable corporate and divisional policies and procedures.

Assembles, repairs, inspects and/or tests products following written instructions.

Ability to read and comprehend basic instructions and other work related documents, written in English.

Sets up and operates a variety of manufacturing machines or equipment following written instructions in the English language. Cleans tools and equipment per documented procedures.

Records information on approved documents. Disposes hazardous waste material on corresponding hazardous waste areas. Resolves problems and make routine recommendations.

Trains other employees when necessary.

Maintains all position certifications up to date as required to remain in compliance.

Completes daily work to meet established schedule with guidance from supervisor on prioritisation of tasks.

Solves problems of limited scope and complexity requiring basic interpretation of well-defined procedures and practices.

Maintains confidentiality in handling sensitive information or documents. Responsible for compliance with applicable corporate and divisional policies and procedures.

EDUCATION & JOB SKILLS

(Education/ Experience)

Leaving Certificate with a minimum of grade D in five ordinary level subjects including Maths and English or a pass rating in an Aptitude Test selected by Abbott Vascular. Relevant work experience advantageous but not essential or an equivalent combination of education and work experience.

(Technical/Business Knowledge (Job Skills))

Applies limited knowledge of business concepts, procedures and practices and a basic understanding of department fundamentals. Will perform this job in a quality system environment. Failure to adequately perform tasks can result in non-compliance with governmental regulations.

(Cognitive Skills)

Performs routine tasks working from detailed written or verbal instructions. Assignments require limited judgement in troubleshooting proven processes
