We're Screwfix. Perhaps you know us. Perhaps you don't. Either way, we'd like to let you in on a secret. We're growing. By putting our customers first, we're providing quality products, at competitive prices and a convenient shopping experience. It's a winning formula. With over 600 stores around the UK, we're also expanding into Europe. As a Service Assistant you'll give our customers first-class service. Whether you're looking to work in a company where there's scope to progress, or get your foot on the retail ladder, we've got the opportunity for you. It'll be fast. It'll be challenging. But it'll also be rewarding.

Let's hammer out the detail

You enjoy putting customers first. Sometimes that means delivering winning customer service (something that comes naturally to you as you take the time to get to know our customers). At other times it might mean stocking shelves or putting orders together. No matter what you're doing, you put your heart and soul into it as you appreciate that your efforts will help make the store run smoothly. And that will make for a happy customer. It'll also set you on the right track for a promising career with us.

Your skills toolbox

Whilst any retail experience will mean you settle in quicker, we're more interested in your positive, can-do, no-nonsense approach. Our training will do the rest. What you need to show us, is that you're a great communicator who loves to help and has a real passion for our business. You also need to be friendly, flexible, reliable, honest, hard-working and enthusiastic. Bring us all that and you'll find yourself in a company that looks to promote from within, whilst having fun along the way.
