Glanco

www.glanco.ie

Business Representative Position

Glanco environmental is looking for a business development executive to join their Waterford team.

The role will entail growing the national product portfolio, manage existing clients and supporting marketing strategy with a creative voice.

If you are self-motivated, enjoy networking and are passionate about the environment, send a current CV to **sales@glanco.ie**

ONF

O'Neill Foley, Chartered Accountants and Business Advisors, are expanding.

The firm currently has in excess of 50 professional partners and staff providing a wide and varied range of accounting, audit, tax, wealth management and corporate finance services.

The culture of the firm reflects the young and energetic profile of our team and the entrepreneurial nature of our client base.

To meet our increasing demands for the services we provide, the following positions are currently available:

- **Qualified Accountant** - Work in general practice, including accounting, audit and tax compliance. Continuing professional development is assured by way of incremental experience within the client base and participation in relevant training programmes.
- **Corporate Finance Consultant** - This position will involve working along side the partners and will encompass equity transactions (both buy and sell), debt fund raising and expert witness assignments.
- **Tax Consultant** - Recognised tax qualification is essential along with at least 2 plus years of relevant experience across a number of tax heads. Ideally the experience should come from a dedicated tax department within a substantial professional organisation with a wide range of exposure to varied transactions.
- **Graduate Trainee Accountants** - Applicants with an honours degree from any discipline will be considered. If you believe you have the enthusiasm and dedication to work in a committed environment, we will provide the structures and training.
- **Accounting Technicians** - Applications are welcome for qualified and trainee technician positions. The work is varied and there is considerable scope for progression both within the firm and throughout our extensive network of clients
- **Trainee Financial Advisor** - Working in close collaboration with the firms head of Wealth Management, this position will enable the right candidate to develop appropriate professional qualifications and combine the technical and compliance experience with the trusted advisor client facing element of the role.
- **Payroll Assistant** - Given the position is within a team of dedicated payroll specialists, this role can be adapted to an individual with substantial experience or a trainee with a genuine interest in deepening their experience.

Remuneration for each role will be commensurate with the qualification and experience of each candidate.

If you are interested in any of the above positions, please email your CV in strictest confidence to: careers@onf.ie.

Applications close on 21st February 2020:
O'Neill Foley, Patrick's Court, Patrick Street, Kilkenny R95 N28F

Tipperary

An iconic business

Regional Commercial Manager
Multimedia

Competitive salary • Tipperary

We are looking for a proven Regional Commercial Manager to head up our successful Commercial Teams, working across our portfolio of digital media platforms and print news titles in Co Tipperary. This is a senior management role and we're seeking outstanding commercial ability combined with the communication skills to present well and persuade customers of the immense value of advertising.

About us Iconic is Ireland's largest independently owned newspaper group, with an unrivalled audience in print, online and mobile. As part of the group's ambitious development strategy, we are now seeking a Regional Commercial Manager to lead advertising sales teams working on the Tipperary Star, Clonmel Nationalist, South Tipp Today and TipperaryLive.ie – a major website serving all of our news titles in the region.

About the role As a key member of our Senior Management Team you'll be tasked with bringing your considerable multi-media commercial experience to bear as you build revenues across the business. You'll be operating in a growing market and be responsible for managing teams selling and developing high-performance print and online marketing solutions to local businesses. We're seeking a candidate with vision and hunger, eager to optimise our audience reach by exploring new revenue channels including events and exhibitions on a countrywide basis.

About you The successful candidate will be assertive, keen to get ahead of the competition, innovative in their approach and disciplined about holding themselves accountable for results. Outgoing and friendly with the ability to adapt sales techniques, you must possess excellent communication and negotiation skills and be able to build strong relationships with existing and potential customers.

Professional, personable and able to inspire others, you'll also need to demonstrate the confidence to hit the ground running. It would be ideal if you have some B2B advertising /sales experience including digital/online. A full driving licence is required.

We offer a competitive salary and massive career progression for the right fit.

To apply please email your CV with a covering letter to ckelly@iconicnewspapers.ie

Strictly no agencies.

Apprentice Maintenance Fitter
Dawn Meats - Waterford

Apprenticeship

Dawn Meats Waterford has a vacancy for a MAMF Apprentice Fitter to join our Maintenance team. The Apprentice will be trained in all aspects of the Mechanical, Automation & Maintenance Fitting apprenticeship program. The apprenticeship consists of 7 phases: 3 off-the-job and 4 on-the-job. SOLAS and the Department of Education and Science have responsibility for providing the off-the-job training, whilst your on-the job training will take place on site with the Dawn Meats Waterford Maintenance team.

The successful candidate will be based at our Waterford plant and will have or demonstrate:

- An interest in electrical & mechanical installations;
- A Leaving Certificate or equivalent qualification to include a Maths and a Science or Engineering subject as a minimum;
- Previous work experience or completion of a pre-apprenticeship course would be viewed as an advantage;
- Strong technical aptitude;
- Ability to work as part of a successful team;
- Ability to follow maintenance planning;
- Ability to meet targets and project deadlines.

This is an excellent opportunity for an apprentice to gain experience in a fast passed and dynamic manufacturing environment.
