ICONIC
media

IS THIS YOUR CALLING?

Iconic Media is Ireland's largest local media group, proudly producing breaking news and sports through our network of websites and newspapers. We are constantly developing our product portfolio, which every week reaches 2.5 million people across the country.

For talented, ambitious people with a commercial outlook, customer service experience and a willingness to deliver results, we can offer great career opportunities within our Portlaoise based business development team.

We're targeting people with natural commercial talent and the ability to build solid and successful client relationships by telephone and email. To continue driving our success we are currently looking for the following:

Business Development Team Leader

In this key role you'll lead, motivate and inspire your team to meet and exceed targets. You will have outstanding communications and negotiating abilities as well as a results oriented approach, proven ability of organising and leading a team and the capability to work under pressure and to deadlines.

Business Development Advisor

Based in Portlaoise, you will be responsible for developing new relationships with potential and existing advertisers right across the country. As part of an experienced and dedicated team you'll be fully supported to learn and understand your role and how to achieve targets.

These are excellent opportunities to develop a long-term, successful career in the publishing sector. And if you have the communication skills and tenacity to persuade customers of the immense value of advertising, it could be both highly lucrative and personally rewarding. Customer service or call-centre experience would be ideal, but above all else we are seeking ambitious relationship builders with excellent communication skills.

We offer a competitive salary and massive career progression for the right fit. To apply please email your CV with a covering letter to Olivia Cooper at ocooper@iconicnewsprinters.ie

DIY &
TRADE

Are you an experienced
plumbing salesperson looking
to develop your career?

WE ARE HIRING!

TJ O'Mahony is currently recruiting a **Plumbing Manager** for its Builders Providers store in Cahir to develop a first-class heating and plumbing centre. We are the largest independently Irish-owned Builders Providers/DIY business in the country with 15 stores across Ireland including our 2 dedicated PH Ross plumbing outlets.

This exciting role will involve:

- Developing and managing our plumbing and heating centre
- Selling to both retail, trade and commercial customers
- Preparing quotations
- Dealing with suppliers
- Product ordering
- Stock Control and merchandising
- Using our in-house software
- Assisting with general sales within the branch

If you have experience in plumbing sales, are highly motivated and are interested in career development, we would love to hear from you.

What can we offer?

An attractive remuneration package including sales commissions/bonus.
A company vehicle.
Career advancement and training through our HPC Training Academy.

Laboratory Assistant

Eurofins Ireland Food Testing - Dungarvan, Co Waterford

Job Description

The Food Laboratory provides analytical testing facilities to help make food safe for consumption. The role of Laboratory Technicians is to prepare and analyse customer food samples keeping in mind efficiency, quality and accuracy standards as required by the company. Upon commencement of employment a training plan will be initiated for the Technician and will be discussed with the Technician as part of their development plan.

JOB RESPONSIBILITIES

- Ensure Compliance to the 17025 standard at all times by adhering to the in house quality procedures provided
- Become competent in the preparation of food samples for analysis.
- Become competent in the laboratory work practices and requirements that facilitate analysis.
- Become familiar with all relevant laboratory test methods and procedures i.e. SOP's.
- Ensure that all client samples are tested on time, and notify a Senior Technician / Laboratory Manager of any time delays.
- Accurately log samples into the system in a timely manner.
- Complete all documentation on time, accurately and legibly.
- Check weights and temperatures in line with company procedures.
- Keep their training sheets up to date and initiate training where possible when able to do so.
- Adhere to all company standards in the area of safety, housekeeping and quality, notifying a Senior Technician or Laboratory Manager of any discrepancies.
- Keep the laboratory area clean and tidy.
- Ensure that the laboratory is stocked with pipettes, autoclave bags etc.
- Clean laboratory equipment as required, including fridges, incubators water baths etc.
- Ensure that all sanitiser bottles and beakers are filled and changed regularly and the correct control labels are attached to them.
- Ensure that there are no reagents or media available in the laboratory that have past their expiry date.
- Ensure that all documentation relating to customer samples is filed.
- Take part in proficiency testing as instructed by a Senior Technician.
- Provide cover for other members of staff as required and participating in the Weekend Rota.
- Be flexible to work in any area of the business as is required.

EDUCATION / EXPERIENCE

- It is **not** necessary to have a science qualification as full training will be given, but experience in a food environment would be an advantage. A working knowledge of computers is essential.

Who we are looking for;

- Highly motivated, enthusiastic individual who can work well within a busy environment.
- Excellent attention to detail.
- Ability to multi-task, prioritise and organise workload.
- Excellent written and verbal communication skills
- A passion for delivering great service
- Ability to work to processes in a consistent manner

Additional Information

Please note that the working hours for this role are as follows; Wednesday - Friday 3.30pm - 8.00pm and Saturday 10.00am - 6.15pm.
