SULZER IS AN EQUAL OPPORTUNITIES EMPLOYER

Pumps Equipment, a division of Sulzer Ltd, is a global leader in the development and supply of pumping solutions and related equipment to its key markets oil and gas, power, and water. We provide a challenging and rewarding work environment where diversity is valued as a key driver for success.

Sulzer Pump Solutions Ireland Ltd is part of our Water Business Unit which aspires to develop - among others - products and solutions that support water recycling in a sustainable energy efficient way. There are 260 people employed in the Sulzer Company based in Wexford.

We are looking for a Software Development Engineer

This role requires capabilities to manage development of software applications required to efficiently and securely control our assets and acquire operational data from our remote equipment. A key responsibility will be to recommend new approaches, advising on industry standards, and will work closely with hardware specialists and programming teams.

Responsibilities will include:

- | Technical responsibility for the design of our software applications in Windows, IOS and Android
- | Specify, design and document technical requirements, and define test plans as appropriate
- | Manage implementation projects, co-ordinate internal and external resources and ensure work is completed to specification, ensuring that we have the necessary technical solutions
- | Evaluate and select software components that will be used in larger solutions
- | Manage technical updates to our existing product portfolio
- | Advise on opportunities to streamline our control, monitoring and connected solutions

Applications are invited from candidates who hold the following:

Essential

- | Degree in engineering, computer science or similar with > 2 years of experience in best practices software development, delivery and deployment
- | Familiar with SW development tools from Microsoft and mobile applications
- | Proven ability of working in a multi-disciplinary and multinational team environment
- | Analytical skills for root cause determination

Desirable/Beneficial

- | Experience in software architecture of connected Industrial applications/solutions
- | Knowledge of embedded systems with IoT or M2M capability
- | Knowledge of industrial communications protocols (OPC, DNP3, Modbus, fieldbus)
- | Telecoms/Network communications protocols (TCP/IP, GPRS/3G/4G, Wireless, low energy protocols)

To apply for the above please go to our website www.sulzer.com. The closing date for applications is 12th June 2020.

€14 an hour

* Apply Via Indeed.com

Job type

Part-time

Contract

Remote

Qualifications

Experience:

- relevant, 1 year (Required)

Full Job Description

Company description

The Shona Project is a multi-award winning national social enterprise whose aim is to educate, empower and inspire today's Irish girls to become tomorrow's strong, confident, and curious young women.

We provide Irish teenage girls with information, advice and a safe place to share their stories through our school workshops, online community and our events.

This is a great opportunity to join a growing organisation who are creating meaningful impact all over Ireland.

Job description

Reporting to the CEO, this is a very exciting role in a multi-award winning social enterprise. The job entails some administration, and also the management of the website and online community.

Responsibilities and Duties

- Management of website, creating and curating content, and promoting our company online.
- Assisting the CEO
- Customer Service
- Assisting in planning and management of events and online programmes.
- Any additional duties that may arise

Qualifications

The following are the skills

Apply Now

- Good writing skills
- Positive attitude and excellent interpersonal and communication skills
- Excellent organization skills and an ability to meet deadlines and work independently.
- Confident user of MS office and social media

This job will be based remotely for the short term, and in Waterford thereafter.

It is a part-time position (30 hours per week) and a six month contract

Industry: Organization

Benefits:

- Flexible working hours
- On-site parking
- Work from home opportunities
- Casual dress

SAVE JOB

APPLY NOW (<https://ie-retail-footlocker.icims.com/jobs/15956/sales-associate/login>)*Sales Associate - FootLocker, Waterford***OVERVIEW**

You recognize yourself when you enter one of our stores. You love to talk about athletic sneakers and apparel as much as you love to collect them. You always scope out the latest styles, and enjoy sharing your enthusiasm with Customers. It's easy for you to start up natural, friendly conversations, adapt to different types of Customers, and resolve issues with a smile. You like to work as part of a team as you improve your individual skills on the sales floor. Your success in this role will be measured through personal and productivity goals plus your ability to provide a great in-store experience to every Customer.

Hi! Are you interested in this job?

Our global house-of-brands inspires and empowers youth culture. Relentlessly committed to fuel a shared passion for self-expression, we create unrivaled experiences at the heart of the sport and sneaker communities through the power of our people. If you want to be a part of something bigger than you can imagine, you've come to the right place. To learn more, click the button below.

RESPONSIBILITIES

- Ensuring high levels of customer satisfaction by being knowledgeable on all products offered, and teaming up with co-workers to provide excellent sales service
- Delivering sales, outstanding customer experience, and operational expectations
- Maintaining personal and productivity goals
- Connects with every customer by asking open-ended questions to assess needs
- Ability to learn and share expertise of products and trends to fit customer's needs
- Maintains an awareness of all product knowledge, and current or upcoming product / trends
- Contributes to a positive and inclusive work environment

QUALIFICATIONS

- 0-3 year of retail experience
- Confident and comfortable engaging customers to deliver an elevated experience
- Motivated to achieve great results because of one's enthusiasm from interacting with customers and athletic products
- Initiates completion of tasks or activities without necessary supervision
- Flexible availability – including nights, weekends, and holidays
