Job details

Job type, Part-time, Permanent

Full Job Description

Our Store Colleagues are a bit like sales advisors. Just, well, totally different. Sure, like a sales advisor you'll serve customers, fill up the shelves and keep the whole place looking spick and span. But this is anything but your everyday retail role.

Here, you'll talk confidently with customers, giving them the advice they need to live healthier, happier lives. And we'll make sure you're ready for whatever question, query or lifestyle goal is thrown your way. If you want to go on and specialise in sports, nutrition, beauty or aromatherapy, we can help you to do that too.

The training can be pretty full on – but it's totally worth it. You'll learn how the human body works. You'll get to know vitamins and supplements inside out. And you'll develop the skills you need to flourish. Be it dietary advice, aches and pains, or a customer wanting to polish up their guns, you'll know just what to do. You will be responsible for the opening and closing of the store from time to time to assist with the smooth operation of trading

It's challenging. It's hard work. And it's certainly not for the faint hearted. But if the idea of a career in health and wellbeing (and a life of helping customers in their pursuit of health and happiness) gives you that warm-fuzzy-feeling inside, there's a unique experience here for the taking.

When it comes to specialist health and wellbeing retailers, we're number one. The biggest in Europe. We've over 1,000 stores (and more on the way) in almost every major city and town across the UK and Ireland – not to mention more than 80 stores around the world too. It's big scale stuff. And you could be part of it all.

APPLY VIA WWW.INDEED.COM *

- Balancing cash registers with receipts.
- Dealing with customer refunds.
- Keeping the store tidy and clean, this includes hovering and mopping.
- Responsible dealing with customer complaints
- Receiving and storing the delivery of large amounts of stock
- Keeping up to date with special promotions and putting up displays.

The personal skills that are required for the job:

- Having a friendly and engaging personality.
- Comfortable working with members of the public.
- Should have a confident manner.
- Must be helpful and polite.
- Able to work as part of a sales team.
- Knowledge of inventory techniques.
- Should be of a smart appearance and articulate.
