Mechanical Fitter Required

CANDIDATE PROFILE:

The ideal candidate will have served an apprenticeship and will possess both Junior and Senior Trade, with 2 to 3 year's practical experience in a medium/large industry. A team player with the ability to work with people and give technical advice where required is essential. Must be clearly focused on the safety and environmental elements of the plant, and work in co-operation with our departments.

DESCRIPTION

The successful candidate will be part of the maintenance team with responsibilities for preventative and breakdown maintenance and the related documentation of the maintenance carried out. **This role is based in ABP Waterford.**

RESPONSIBILITIES:

- To carry out start up checks on machinery throughout the plant on a daily basis.
- Ensure that all breakdowns are carried out swiftly and safely at all times.
- Ensure that all servicing and maintenance throughout the site is done in an efficient, safe and hygienic manner.
- Smooth running of the factory.
- Repairs, servicing and good maintenance of machinery.
- Work on refrigeration, plumbing and all breakdowns is carried out in a safe and tidy manner.
- To implement and follow the preventative maintenance schedule
- To ensure that records are completed.
- Other duties as assigned.
- The above job description is designed to give an appreciation of the main functions of the job. It is not intended to be exclusive or exhaustive.
- Refrigeration experience an advantage but not essential
- To ensure that the staff comply with the Company Health & Safety policy.

Assistant Manager Electrical Retail – Paltel – Dungarvan

Job brief - Electrical Retail

We are looking for a responsible Assistant Manager to help organize and run our retail store and fill in for the Store Manager when needed. Your job will be highly important in ensuring the sales team meets its goals of efficiency and customer satisfaction.

Assistant Manager responsibilities include hiring and training sales associates, monitoring inventory and ordering merchandise based on demand. You will also research competitive products and analyze consumer behavior to ensure our store meets and exceeds client expectations.

Our ideal candidate will have retail manager skills with a sharp business mindset. You should also be skilled at organizing and solving problems. Interpersonal and mediation skills will also be very useful, since you'll often be acting as a liaison between managers, employees and customers.

Ultimately, the duties of the Assistant Manager are to make sure our stores operate effectively, and that we keep our customers happy.

Responsibilities

- Assist the Retail Store Manager in planning and implementing strategies to attract customers
- Coordinate daily customer service operations (e.g. sales processes, orders and payments)
- Track the progress of weekly, monthly, quarterly and annual objectives
- Monitor and maintain store inventory
- Evaluate employee performance and identify hiring and training needs
- Supervise and motivate staff to perform their best
- Coach and support new and existing Sales Associates
- Monitor retail operating costs, budgets and resources
- Suggest sales training programs and techniques
- Communicate with clients and evaluate their needs
- Analyze consumer behavior and adjust product positioning
- Handle complaints from customers
- Research emerging products and use information to update the store's merchandise
- Create reports, analyze and interpret retail data, like revenues, expenses and competition
- Conduct regular audits to ensure the store is functionable and presentable
- Make sure all employees adhere to company's policies and guidelines
- Act as our store's representative and set an example for our staff

Requirements

- Proven experience as a Retail Assistant Manager or similar position
- Experience with recruiting and performance evaluation processes
- Familiarity with financial and customer service principles
- Good math skills with the ability to create and analyze reports, spreadsheets and sales statistics
- Proficient user of MS Office (MS Excel in particular)
- Leadership and organizational abilities
- Interpersonal and communication skills
- Problem-solving attitude
- Flexibility

Expected start date: 1/6/2021

Job Types: Full-time, Permanent

Salary: €22,585.00-€28,253.00 per year

Benefits: Employee discount / On-site parking / Store discount

Schedule: Monday to Friday / Weekend

Experience: Sales: 1 year (preferred)

Language: English (preferred)

Retail Advisor – Optical – Specsavers – Dungarvan

Retail Advisor

Location: Dungarvan

Salary:

Competitive basic dependent on experience

Working hours:

Full time and Part time available (Weekend work is essential)

Are you passionate about retail and offering the best customer experience?

Our advisor roles at Specsavers are not your ordinary retail positions – you'll join the team as an Optical Assistant bringing your valued retail experience & customer service knowledge to meet the caring values and optical expertise of our brand, making sure every patient receives the best experience in our stores.

We are looking for someone with a background of providing a pro-active and first-class customer experience, with a real desire when it comes to customer care & the ability to communicate politely & professionally with all customers and colleagues.

You'll be responsible for assisting patients and ensuring the best customer journey throughout:

- Dealing with enquiries both face to face and over the telephone
- Providing support with booking appointments
- Offering a warm welcome from the moment they walk through the door
- Listening to their requirements & assisting with frame style advice
- Helping to guide them through our offers & products to ensure the right choice for them.

As a business that prides itself on providing supported development & exciting long-term careers, previous Optical experience isn't essential - you'll receive all the training needed and we will support you to develop your knowledge of the optical world, such as –

Pre-screening patients, measuring frames and dispensing single vision, bifocal & varifocal lenses, whilst working towards NHS guidelines and our own high standards.

Platinum Employer

This store is an accredited Platinum Employer, which means you can expect an exceptional employee experience every single day you work here. The Platinum Employer Scheme is part of our drive to become a famous place to work and stores with this accreditation have been verified on five key employer standards – Recruitment, Performance Management and Reward, Talent Management, Learning and Development and Employee Engagement.

If you are interested please click **Apply** as this vacancy will close once we have filled all available places. We therefore highly recommend early applications.

Electrical Apprentice – Dawn Meats– Carrolls Cross

Company: Dawn Meats

Location: Carroll's Cross, Kilmacthomas, Co. Waterford

Job Title: Electrical Apprentice

Reporting To: Maintenance Manager

Role Summary:

Dawn Meats Carroll's Cross has a vacancy for an Electrical Apprentice to join our Maintenance team in Waterford.

The Apprentice will be trained in all aspects of the Electrical apprenticeship program. The apprenticeship consists of 7 phases: 3 off-the-job and 4 on-the-job. SOLAS and the Department of Education and Science have responsibility for providing the off-the-job training, whilst your on-the-job training will take place on site with the Dawn Carroll's Cross Maintenance team.

Successful Candidates should have the following:

- An interest in electrical & mechanical installations
- A Leaving Certificate or equivalent qualification to include a maths and a science or engineering subject as a minimum.
- Previous work experience or completion of a pre-apprenticeship course would be viewed as an advantage.
- Strong technical aptitude.
- Ability to work as part of a successful team.
- Ability to follow maintenance planning.
- Ability to meet targets and project deadlines.

This is an excellent opportunity for an apprentice to gain experience in a fast paced and dynamic manufacturing environment

Job Type: Apprenticeship

Education: Leaving Certificate (preferred)
