Employment Opportunities at Waterford LEADER Partnership Clg

Waterford LEADER Partnership (WLP) Clg is looking to offer two exciting opportunities to graduates from the appropriate Science, Horticulture, Forestry, Agriculture or Ag. Science background to fill two one year fixed term contracts in WLP under the Transitional LEADER Programme.

Opportunity 1:

What is WLP looking for in a Candidate?

Circular Economy
Recent graduate (2.1 Honours or above) in Agricultural Science/Agriculture, Horticulture or Forestry.
Very practical, good oral and written communications, evidential approach, willingness to use a project management approach to managing workflows.
Focus on developing and sourcing circular economy projects in Ag Tech (small science, engineering and tech companies in Waterford) that LEADER can invest in.
Focus on developing projects in the repurposing area of recycling and upcycling that LEADER can invest in.
Assist Waterford LEADER Partnership in developing a better practical understanding of the circular economy and its opportunities for Co. Waterford and LEADER support.

What can WLP offer a Candidate?

A one-year fixed term contract on the main Rural Development/Diversification Programme in the E.U. for Rural Businesses and Communities.
For recent graduates, €32,185 per annum starting salary, with the normal work-related expenses.
A role in defining the next stage of the LEADER Programme locally for the next seven to eight years through evidential project development.
Practical engagement in the development at a local level of the circular economy.

Access to a car and a clean driving license is a condition of the appointment. The necessary equipment for the position will be provided.

Opportunity 2:

What is WLP looking for in a Candidate?

Biodiversity
Recent graduate (2.1 Honours degree or above) in, Biological Sciences, Horticulture, Forestry or Agriculture/Agricultural Science. A higher qualification or experience in Biodiversity would be an advantage.
Very practical, good oral and written communications, evidential approach, willingness to use a project management approach to managing workflows.
Focus on developing and sourcing practical biodiversity projects in community based re-wilding (3 Projects), community training, developing local citizen science and farm based projects such as Biodiversity walkways that LEADER can invest in.
Assist Waterford LEADER Partnership in developing a better practical understanding of practical Biodiversity and its opportunities for Co. Waterford and LEADER support.

What can WLP offer a Candidate?

General Operative

PPI Adhesive Products Ltd - Waterford, County Waterford
Full-time, Permanent

PPI Adhesive Products Ltd commenced production on Waterford Industrial Estate in 1971. We produce a very extensive and sophisticated range of Technical Adhesive Tapes, Laminates and Die-Cuts for a wide range of applications, most notably in the Electrical, Electronic, Aerospace, Automotive and Medical sectors, as well as a wide range of tapes for specialized industrial and high-tech applications. One of our main strengths is our ability to produce customized tapes and die-cut pieces to individual customer specifications, including small quantities for short runs, etc. PPI is active in 6 continents, in over 50 countries worldwide.

We are currently looking for 3-4 committed and skilled operatives to join our Manufacturing plants in Waterford. As a Manufacturing Operative, you would play an important role in ensuring smooth operations and provide support in various manufacturing areas. Depending on the manufacturing department candidates are placed, there may be requirements to work on shifts.

Responsibilities

Work as part of a team or independently, with attention to detail in completing various manufacturing related tasks.

- Operate machinery safely and perform all operations in line with manufacturing instructions and specifications, customer requirements and quality standard.
- Adhere to good document practices (GDP) when completing all documentation.
- Adhere strictly to all safety rules, manufacturing procedures, company policies and procedures and good manufacturing practices (GMP).
- Work on continuous improvement projects.

Essential Requirements

- The ideal candidate would have experience in a manufacturing environment.
- Competency in operating a range of manufacturing machines and related ancillary equipment.
- The ability to work effectively within teams and independently – must be self-motivated and able to work on own initiative.
- Demonstration of flexibility and adaptability to different work environments and open to learning and development.
- Detail oriented to ensure all documentation is completed correctly and within the appropriate guidelines and GDP standards.
- Ability to follow work procedures and instruction and able to communicate issues with team leaders.

Desirable Skills

- Some work experience in a warehouse environment including the use of computer systems such as Microsoft Dynamics NAV, SAP, etc.
- Good computer/IT skills in general, with demonstrated experience in the use of email, Microsoft Office products (Word, Excel Spreadsheets), databases, enterprise resource planning (ERP) systems and manufacturing execution systems (MES).

Retail Associate

3 Ireland - Waterford, County Waterford
Permanent Full Time (37.5 hours p/w)

At Three we're used to going beyond expectations to better connect our customers

If that sounds like you, join us, and Be Phenomenal. Our Retail teams play a critical part in our enhanced store experience. Never has there been a more exciting time to join a team of open, honest and passionate employees. Three is forward thinking, you can't stagnate in this job, and you'll be part of a charming bunch of people that will become lifelong friends. There's an energy here that's infectious; we defy convention and we're always looking at ways to shake up the industry and to surprise and delight our customers. You can be yourself here, and you'll get to build strong relationships with customers and colleagues alike.

Since we set foot in Ireland, we've done things differently

Investing in infrastructure, we built a network that now connects 2.2 million customers nationwide, carrying more data than all our competitors combined. We take the script and rip it up, we're a big-hearted energetic bunch, striving for a better-connected life. We encourage our employees to face their weaknesses, to really open themselves up to new challenges and projects in a super-charged and rich learning environment. We want you to become the best version of yourself.

Join us as a Retail Sales Associate

Confident and personable, with a real passion for customer service, you'll happily go to phenomenal lengths to deliver the best retail experience possible, while working hard to drive sales and exceed targets. You'll need to be brilliant at building relationships with customers, identifying their needs and expertly matching them to our products and services. You'll be hungry to hit sales targets and to play a supportive and encouraging part in the team around you. Positive and motivated, you'll always be looking for ways we can improve and for ways to improve yourself. Previous retail sales experience is necessary and, of course, a love of the products we sell essential.

What else will the role involve?

Make our customers feel phenomenal

Taking ownership of customer issues, using your problem solving skills to take care of them in a patient and professional manner until resolve

Embody a better connected life in person and engage with customers to tell a story about our product range, not just a tech spec

Driving sales

Engage with our customers to match them to the appropriate products and services in an approachable, personable manner

when closing sales, while also promoting our smaller products and services through cross-selling and upselling

Work as part of team

Work alongside colleagues in your team to support, motivate and encourage each other to succeed and achieve targets

Work closely with your colleagues, celebrating success within your team

Liaise with the wider business such as; customer care, the business team, and the credit approval team to provide prompt solutions to our customers

Go beyond the expected

Keep up to date with industry trends and competitor activity to ensure you can demonstrate to customers why they should choose Three

Continuously looking for improvements in processes or services

Appreciate each other

Ensure store standards are met by replenishing stock, reorganising displays in line with planograms, and

maintaining the cleanliness and positive reputation of the store

Have an appreciation and understanding for Data Protection policies and ensure all administration is carefully completed and filed in the correct manner

Demonstrate responsibility for RLP (retail loss prevention) policies and processes to show support for your store manager during store audits

Support your store manager with all RLP policies and processes to demonstrate support for store audits

Skills and experience

Previous experience in a retail, sales or customer-service based role.

Flexibility around working hours including evenings and weekends

Keen interest in technology and lifestyle product range

Ability to engage with colleagues and customers with excellent communication skills

You are a team player. You will work with colleagues to support, motivate and encourage each other to succeed and achieve goals.

Self-motivated, patient and personable individual

Strong attention to detail

Ability to anticipate needs and take initiative

Proven ability to build and maintain strong working relationships

Proactive with a "Can Do" attitude.

Ability to influence people

What we offer

Competitive salary and Commission/Reward structure

25 days leave each year

Health insurance options, pension contribution, dental cover and more.

Smartphone with a generous employee plan.

Three is an equal opportunities employer

Job Description

Catering Assistant with Dunnes Cafe - Davis Road, Clonmel

Dunnes Stores is Ireland's leading retailer positioned at the cutting edge of food and fashion retailing. We have over 130 stores in Ireland, the UK and Spain and are expanding our service and product offer all the time.

Baxter & Greene is a contemporary and stylish Market Deli where carefully selected products are freshly prepared and cooked every day by our team of skilled chefs and delicatessen staff. By using innovative and creative ideas, our team endeavor to produce and present wholesome food of an exceptionally high standard.

We are currently looking to recruit an experienced Catering Assistant to join the Catering team in our Timepiece restaurant in **Dunnes Stores, Davis Road, Clonmel.**

The successful candidate will be self-motivated and enthusiastic and have the ability to provide an excellent level of service with attention to detail. Previous experience in a busy catering environment is essential.

Key Responsibilities: (but not exhaustive)

- Provide a fast, friendly and efficient level of customer service.

- Ensure the regular and systematic cleaning and maintenance of the equipment in the restaurant, both front of house and back of house ensuring that hygiene and food safety standards are adhered to.
- Prepare and assist with food preparation, setting up counters and merchandising the restaurant.
- To adhere to specifications, standards and procedures while at work.

Requirements:

- Previous experience in a similar environment, preferably in a retail / customer facing environment.
- Experienced and trained on HACCP and Food Safety.
- An advanced level of English is required and a professional and polite manner is essential.
- Excellent communication and interpersonal skills with a strong desire to work with food.
- Flexible with the ability to work on own initiative as well as working as part of the team.

Core Media on behalf of Abbott

📍 Clonmel, County Tipperary, Ireland

€ Not Disclosed

📅 Contract | Full Time

🕒 13 Sep

**Login or register to apply****Description****Company Details****Assemblers - Weekend Evening Shift****About Abbott**

Abbott is a global healthcare leader that helps people live more fully at all stages of life. Our portfolio of life-changing technologies spans the spectrum of healthcare, with leading businesses and products in diagnostics, medical devices, nutritionals and branded generic medicines. Our 109,000 colleagues serve people in more than 160 countries.

Abbott serves the Irish market with a diverse range of healthcare products including diagnostics, medical devices and nutritional products. In Ireland, Abbott employs over 4,000 people across nine sites. We have six manufacturing facilities located in Clonmel, Cootehill, Donegal, Longford and Sligo and a third-party manufacturing management operation in Sligo. Abbott has commercial, support operations and shared services in Dublin and Galway. We have been operating in Ireland since 1946.

Abbott Ireland Vascular Division Clonmel

Abbott Vascular is one of the world's leading vascular care businesses. Abbott Vascular is uniquely focused on advancing the treatment of vascular disease and improving patient care by combining the latest medical device innovations with world-class pharmaceuticals, investing in research and development and advancing medicine through training and education.

Our broad line of vascular devices—which includes vessel closure, endovascular and coronary technologies—are used to treat vessel diseases of the heart, carotid arteries and peripheral blood vessels. These vessel diseases can lead to heart attack, stroke, critical limb ischemia and other serious vascular conditions.

Purpose of the job

Performs a wide variety of electronic, mechanical, or electro-mechanical assembly operations on assemblies or sub-assemblies. Sets up and operates automatic or semi-

automatic machines. May perform other tasks including, but not limited to; placing labels on packages, and putting data sheets with product.

Major Responsibilities

Responsible for compliance with applicable corporate and divisional policies and procedures.

- Assembles, repairs, inspects and/or tests products following written instructions. Ability to read and comprehend basic instructions and other work related documents, written in English.
- Sets up and operates a variety of manufacturing machines or equipment following written instructions in the English language.
- Cleans tools and equipment per documented procedures.
- Records information on approved documents.
- Disposes hazardous waste material on corresponding hazardous waste areas.
- Resolves problems and make routine recommendations.
- Trains other employees when necessary.
- Maintains all position certifications up to date as required to remain in compliance.
- Completes daily work to meet established schedule with guidance from supervisor on prioritization of tasks.
- Maintains confidentiality in handling sensitive information or documents.

Education & Competencies

- Education/ Experience: Leaving Certificate with a minimum of grade D in five ordinary level subjects including Maths and English or a pass rating in an Aptitude Test selected by Abbott Vascular.
- Relevant work experience advantageous but not essential or an equivalent combination of education and work experience.
- Technical/Business Knowledge (Job Skills); Applies limited knowledge of business concepts, procedures and practices and a basic understanding of department fundamentals. Will perform this job in a quality system environment. Failure to adequately perform tasks can result in non-compliance with governmental regulations.
- Cognitive Skills: Performs routine tasks working from detailed written or verbal instructions. Assignments require limited judgement in troubleshooting proven processes.

This position is a 12 month fixed term contract.
