Waterford & South Tipperary Community Youth Service

WSTCYS is a community-based youth organisation which places active youth participation, volunteerism and community development at the heart of our ethos

As part of a significant expansion of our Youth Justice response under the Youth Justice Strategy 2021 – 2027, we are looking for motivated people with energy, initiative and a young-person centred approach to join our growing YDP staff team across our region. Applications are now invited for the post of;

Youth Justice Worker, Clonmel Youth Diversion Project (Full - Time)

In this post, you will join our team of staff and volunteers in the Clonmel Youth Diversion Project. The catchment area of this YDP is Clonmel and surrounding areas, with a new focus under the YJ Strategy of extending the boundary of the Project to include young people in areas previously not covered by a YDP.

The aim of the CYD Project is to respond to the needs of unattached young people aged 12 to 18 years who are involved in and/or at risk of criminal or anti-social behaviour in their catchment areas. The purpose of YDPs is to assess the needs, risks and strengths of the target group, to engage them in a process of learning and development that will enable them to critically examine their own offending and to support them to make positive lifestyle choices that will protect them from involvement in criminal, harmful or socially unacceptable behaviours.

Working closely with other WSTCYS staff on the ground, the Youth Justice Worker will deliver effective youth justice work through a range of individualised interventions and youth work programmes, developing and extending existing responses (including after hours and some weekend contact) and increasing the level of participation in the Project of young people, volunteers, the wider community and other stakeholders. This includes building effective working relationships with locally based youth and community groups and relevant statutory services towards realising a holistic "wrap around" response to the needs of children and young people at risk in their specific family and community context. This collaborative approach lies at the heart of the YJ Strategy.

Funded through the European Social Fund Plus, this post will have a particular focus on delivering work in the context of:

Extending the boundary of the Project's catchment area to identify, reach and engage young people in rural and urban areas not currently served in Clonmel and Cahir Garda Districts.

Improving the prospects of sustainable employment by identifying pathways with individual participants towards the labour market.

Enabling participants to access further and second chance education and training opportunities.

Promoting acceptance of diversity in the workplace.

Ideal candidates for these posts should demonstrate flexibility, motivation and initiative, have excellent interpersonal, organisational, communication and facilitation skills, be strong team players and be committed to creating with others participatory and effective responses to young people's needs and interests. They must have at least 1 year's (ideally 2 years') professional experience of working directly with young people and a recognised qualification in Youth and Community Work or related discipline. Understanding of the principles, practices and working methods associated with youth justice work would be an advantage. Candidates must hold a full clean Drivers Licence and have own transport.

To apply please visit www.wstcys.ie for information on recruitment and request a Job Description and Application Form to jobs@wstcys.ie Closing date for return of applications by e-mail is 5pm on Monday 26th September 2022.

Waterford & South Tipperary Community Youth Service: Youth Justice Worker - Clonmel Youth Diversion Project

(<https://www.activelink.ie/node/94201>)

Waterford & South Tipperary Community Youth Service

WSTCYS is a community-based youth organisation which places active youth participation, volunteerism and community development at the heart of our ethos

As part of a significant expansion of our Youth Justice response under the Youth Justice Strategy 2021 – 2027, we are looking for motivated people with energy, initiative and a young-person centred approach to join our growing YDP staff team across our region. Applications are now invited for the post of;

Youth Justice Worker, Clonmel Youth Diversion Project

(Full - Time)

In this post, you will join our team of staff and volunteers in the Clonmel Youth Diversion Project. The catchment area of this YDP is Clonmel and surrounding areas, with a new focus under the YJ Strategy of extending the boundary of the Project to include young people in areas previously not covered by a YDP.

The aim of the CYD Project is to respond to the needs of unattached young people aged 12 to 18 years who are involved in and/or at risk of criminal or anti-social behaviour in their catchment areas. The purpose of YDPs is to assess the needs, risks and strengths of the target group, to engage them in a process of learning and development that will enable them to critically examine their own offending and to support them to make positive lifestyle choices that will protect them from involvement in criminal, harmful or socially unacceptable behaviours.

Working closely with other WSTCYS staff on the ground, the Youth Justice Worker will deliver effective youth justice work through a range of individualised interventions and youth work programmes, developing and extending existing responses (including after hours and some

weekend contact) and increasing the level of participation in the Project of young people, volunteers, the wider community and other stakeholders. This includes building effective working relationships with locally based youth and community groups and relevant statutory services towards realising a holistic “wrap around” response to the needs of children and young people at risk in their specific family and community context. This collaborative approach lies at the heart of the YJ Strategy.

Funded through the European Social Fund Plus, this post will have a particular focus on delivering work in the context of:

- Extending the boundary of the Project’s catchment area to identify, reach and engage young people in rural and urban areas not currently served in Clonmel and Cahir Garda Districts
- Improving the prospects of sustainable employment by identifying pathways with individual participants towards the labour market
- Enabling participants to access further and second chance education and training opportunities
- Promoting acceptance of diversity in the workplace

Ideal candidates for these posts should demonstrate flexibility, motivation and initiative, have excellent interpersonal, organisational, communication and facilitation skills, be strong team players and be committed to creating with others participatory and effective responses to young people’s needs and interests. They must have **at least 1 year’s (ideally 2 years’) professional experience of working directly with young people and** a recognised qualification in Youth and Community Work or related discipline. Understanding of the principles, practices and working methods associated with youth justice work would be an advantage. Candidates must hold a full clean Drivers Licence and have own transport.

To apply please visit www.wstcys.ie (<http://www.wstcys.ie>) for information on recruitment and request a Job Description and Application Form to jobs@wstcys.ie (<mailto:jobs@wstcys.ie>). Closing date for return of applications by e-mail is 5pm on **Monday 26th September 2022**. Short-listing will apply and a panel may be formed for future vacancies
