Cappoquin Community Development Company wish to recruit a

Manager and General Operative

**for the Community Services Programme in
Cappoquin Community Centre**

The existing services of sport hall/theatre, gymnasium, meeting rooms, classrooms and kitchen provided from the Community Centre will now operate within the Community Services Programme.

The Primary duties of the Manager will be to:

- Managing the services provided in the hall/theatre, gymnasium, meeting/classrooms and kitchen of Cappoquin Community Centre
- Liaising with local and national agencies and preparing grant applications
- Managing bookings, occupancy rates, income and expenditure and preparing appropriate reports for return to Pobal
- Maintaining knowledge of policy and best practice in the Community/Social Enterprise/Disadvantage sectors.

The primary duties of the General operative will be to:

- Carry out basic maintenance works to the gymnasium, hall/theatre, kitchen and meeting/classrooms
- Opening and closing the Centre and preparing facilities for use.
- Complying with Health and Safety requirements.
- Assisting in the promotion and development of the use of facilities for potential clients and targeted service users.

These roles will be 3 year contracts and the successful candidates will be based in Cappoquin Community Centre. A job description is available on request by emailing ccdsecretary2@gmail.com. Interested candidates are requested to email a letter of application and a CV to the Company Secretary, Cappoquin Community Centre, at ccdsecretary2@gmail.com prior to 5.00 p.m. on Friday, 10th January, 2024. Candidates are advised that short listing may apply. Cappoquin Community Development Company CLG is an equal opportunities employer.

JOB LINE

Boston Scientific

Builder II, Product

Work mode: Onsite

Onsite Location(s): Clonmel, IE

Additional Locations: N/A

Diversity - Innovation - Caring - Global Collaboration - Winning Spirit - High Performance

At Boston Scientific, we'll give you the opportunity to harness all that's within you by working in teams of diverse and high-performing employees, tackling some of the most important health industry challenges. With access to the latest tools, information and training, we'll help you in advancing your skills and career. Here, you'll be supported in progressing – whatever your ambitions.

Due to significant growth at our Boston Scientific Clonmel site we have multiply job vacancies for Product Builders to join our growing team.

Our Product Builders work at the heart of operations in Clonmel building the products that help to change lives. Excellent career opportunities for motivated individuals who are excited to work for one of Ireland's largest medical device companies.

Our total rewards package offering includes a competitive salary, shift allowance, paid vacation, bonuses, healthcare, defined pension scheme, further education assistance, excellent career progression opportunities, Employee Resource Groups, retirement programs, wellness programs, greenway, gym on site, subsidised canteen, on-site parking, as well as other various social activities.

We are offering an 11-month fixed term contract to work on various shift patterns which include Day/Evening and Nights across its manufacturing lines.

The Role will work well within a small team and perform a wide variety of electronic, mechanical, or electro-mechanical assembly operations on assemblies or sub-assemblies. The Product Builder will be responsible for set up and operation of automatic or semi-automatic machines and may also perform other tasks including, but not limited to, placing labels on packages and putting data sheets with product.

The key responsibilities for this role include:

- Responsible for manufacturing consistently high-quality product in accordance with Boston Scientific manufacturing procedures and quality standards.
- Monitor and verify quality in accordance with operating procedures.
- Fully adhere to procedures in relation to production methods, completion of documentation, current Good Manufacturing Practices and safety requirements.
- Proactively promotes safety across the site.
- Participate in continuous improvement programmes and / or team projects to enhance our quality, customer service and cost.
- Contribute as part of a team in achieving and exceeding the line core metrics.
- Undertake training in line with business needs in order to continually develop skills and knowledge to meet the demands of the business now and in the future.
- Provide cross training to employees.
- Continuously drive and promote our core values and behaviours.

Required Qualifications

- Leaving Certificate or equivalent required (HETAC Level 5).

Desired Experience and Skills

- Previous work experience in Medical Device or Pharmaceutical environments is desirable.
- Strong aptitude for operating equipment in a GMP environment.
- Have the ability to work as part of a team and demonstrate a strong motivation towards teamwork.
- Must have demonstrated computer literacy.
- Excellent attention to detail.
- Must be flexible, highly motivated and committed with the ability to deliver results by taking the initiative and taking pride in consistently delivering high quality work on time.
- Be a self-starter, a quick learner and have a positive and enthusiastic attitude whilst driving our continuous improvement culture.

As a global medical technology leader for more than 35 years, our mission at Boston Scientific (NYSE: BSX) is to transform lives through innovative medical solutions that improve the health of patients. If you're looking to truly make a difference to people both around the world and around the corner, there's no better place to make it happen.

Control Room Operatives in An Garda Síochána

The recruitment campaign for this role is managed by the Public Appointments Service.

An Garda Síochána are looking to recruit people to work within their Regional Control Centres located in Cork, Dublin, Galway and Waterford.

Staff in these centres respond to emergency 999/112 calls. This role is suited to individuals who have the drive and passion to make a difference to peoples' lives but who are also able to work in a high pressured and sometimes emotive environment.

All centres operate 365 days a year where staff are rostered on a 24/7 full-time basis.

Working hours: The roster will consist of 4 days on and 4 days off, i.e., 4 days x 12-hour shifts which is 2 days followed by 2 nights and will include weekends and bank/public holidays.

Starting Salary: €534.34 with a 25% shift allowance weekly.

To find about more about the role from staff who are currently employed in the Control Centre in Dublin, [CLICK HERE](#)

THE CLOSING DATE FOR RECEIPT OF COMPLETED APPLICATIONS IS:

3.00pm Thursday 11th January 2024

Full details of the role, salary and specific eligibility requirements is available in the Competition Information Booklet.

We are committed to a policy of equal opportunity and encourage applications under all nine grounds of the Employment Equality Act.
