WATERFORD SOUTH TIPPERARY LAES JOBS PACK

JOBS, TRAINING OPPORTUNITIES

&

COMMUNITY EMPLOYMENT POSITIONS

CASE-WORKER FOR THE WATERFORD AND SOUTH TIPPERARY LOCAL AREA EMPLOYMENT SERVICE (WSTLAES) Full-time Position – 35 hrs / week (Fixed Term Contract)

The WSTLAES is responsible for the provision of employment assistance and advice services to jobseekers in the Waterford and South Tipperary area, to help them to enter or return to employment. The jobseekers in the service are primarily those who are long term unemployed and farthest from the labour market.

Purpose of the Job

The Caseworker will work as a member of the WSTLAES Team to provide services to the long-term unemployed.

The Caseworker will be required to provide one-to-one support and guidance to the long-term unemployed and those furthest from the labour market to help them in their progression from unemployment to employment.

Principal Duties

- Provide a practical but empathetic approach to engaging all referred clients.
- Ensure the effective completion of referral appointments made by Department of Social Protection (DSP) through the WSTLAES Manager.
- Engage with referred clients using a three-tier approach encompassing: Initial assessment, Assessment of readiness to work and change. Interview and engagement.
- Identify client goals, aspirations, and barriers to employment, providing good customer service, including meeting and professionally greeting clients.
- Explain WSTLAES service offering, ensuring the client understands their rights and responsibilities (including the complaints and feedback process) whilst registering the client under contractual obligations and eligibility criteria.
- Ensure all initial assessments focus on getting to know the participant, their motivation and exploring their aspirations and needs.

To apply for the above position, please forward a copy of current Curriculum Vitae and letter of application no later than 5.00 p.m. 09/02/2024 – to:

Mr Liam Quinn ; Email: info@wap.ie

Discover how you can make a difference in the lives of individuals, families and communities around the world.

Job Description:

Job Description

Job Title: CDD Operations Specialist

GCF Level: GCF 4

Department(s): Operations

Division: International

Position Summary:

The International Operations team has an opportunity available for an International CDD Operations Specialist. The successful candidate will be responsible for specifically working on making sure all our clients are adequately risk assessed in line with our internal policies and procedures as well as our regulatory obligations. The CDD Operations Specialist will also support our internal clients in respect of assessing and reviewing their cases to ensure all Client Due Diligence (CDD) documentation collected is in line with our regulatory responsibilities in relation to Anti-Money Laundering (AML) and Counter Terrorism Financing (CTF) policies and procedures. Our internal systems will be used to capture a full overview of a client's risk profile and the successful candidate will need to understand that this is completed accurately and as 'first line of defense' they must be diligent and highlight any suspicious activity in terms of Money Laundering (ML), Terrorist Financing (TF) or Fraudulent Activity (FA) on our High Net Worth (HNW) products.

As the team will be supporting International Operations the successful candidate might be required to work shift work on a rotational basis that may rotate between 8.00am - 10.00pm (GMT).

Main Accountabilities:

- Review CDD for both individual and corporate entity structures, to complete the Client Risk Assessments (CRA) on regulated Client transactions and give sign-off on medium risk accounts.
- Completes CDD risk assessments on new and existing accounts to ensure compliance with AML policies and procedures.
- Proactively starting to respond to technical KYC/CDD queries related to AML cases in respect of our client accounts that come from the wider operations team.
- Establishes and maintains trusted relationships with our internal teams to ensure accurate and efficient remediation processes and ongoing monitoring of our HNW clients.
- Handles the daily CDD related processing of all transactions such as new account set up, maintenances and withdrawals at a medium risk level.
- Identifying and escalating risks including possible indicators of suspicious activity and fraud.
- Communicates effectively with our internal clients through e-mail, and face to face interactions.
- Builds relationships with staff from other departments to ensure queries are responded to in a timely manner.
- Works with management to ensure prompt and efficient service by proactively managing the CDD queue.
- Identifies, suggest and process improvements to increase efficiencies and streamline processes, assisting with projects and initiatives as needed.
- Participates in ad-hoc projects / audit requests as necessary to ensure they are completed within the relevant timeframes.
- Works with colleagues to help resolve any complex queries and supports junior members of the wider operations team to address issues that may arise with clients and/or brokers.
- Collaborates with managers and case managers to find solutions to high level broker queries or complaints that may arise.
- Flexes as necessary to the different tasks within the CDD realm as needed including UW (Underwriting) CDD support, Inforce CDD support and backend OGM (ongoing monitoring) support.
