We are searching for dynamic part-time weekend staff to join our team at our fun and exciting helicopter events across different locations around Ireland.

What We Do:

At Adventure001 Helicopters Ireland we specialise in organising helicopter pleasure flying events at a variety of exciting venues, including airports, racecourses, and other outdoor locations.

Job Description:

As part of our team, your responsibilities will include welcoming customers, capturing their details, assigning them to flights using our dedicated App, promoting our products, and keeping passengers informed about any potential delays. No prior experience is necessary as full training will be provided initially.

You'll also be responsible for photography duties, capturing customers' memorable moments in front of the aircraft and selling photo packages upon landing. While experience is not essential, we do expect candidates to have prior customer-facing experience and confidence with working in fast-paced environments.

Once fully trained, you'll be working alongside with the wider Adventure001 team to ensure that our customers receive the highest quality service.

Our events primarily take place nationwide on weekends and occasional weekdays during the school holidays.

Please note that our peak events season runs from March to October, with limited events during the winter months.

If you are interested then please apply now by emailing danny@adventure001.ie or jamie@adventure001.ie

Construction Courses

NZEB Awareness Workshop

(Nearly Zero Energy Building) Fundamental Awareness is certified training for more energy-efficient homes/commercial buildings.

Plastering Skills (Basics)

Attain a Level 2 NVQ Diploma in Plastering (equivalent to Level 4 on Irish NFG) with this course, which is designed to help you develop the essential skills required to become a skilled plasterer:

Retrofit Insulation Skills

The course teaches participants about building insulation best practices, covering internal, external, floor and roof insulation, as well as making a building airtight to reduce energy loss.

Dry Lining Diploma

Dry lining is an innovative interior construction technique used mainly for walls and ceilings. It sets itself apart from traditional wet plastering, and is often viewed as a faster, cleaner, and simpler alternative.

Floor & Wall Tiling/Painting & Decorating

The goal of this course is to equip students with the necessary knowledge, skills, and expertise to become proficient at painting, decorating, and tiling floors and walls.

Pre-Apprenticeship Construction Skills

The program provides trainees with a chance to experience various trades and ultimately pursue their chosen Craft Trade Apprenticeship.

- Painting
- Wall & Floor Tiling
- Plastering
- Carpentry & Joinery
- Plumbing
- Electrical
- Bricklaying
- Groundworks
- Healthy & Safety
- Maths
