Survey Interviewer

📍 Location: Ireland

🕒 Closing Date: 25/04/2024 03:00 PM

Job Summary

Temporary & Permanent Household Survey Interviewers (Average weekly hours 25.15)

Location: Nationwide

Survey interviewing work is carried out across the whole country. However, it is the policy of the CSO to assign interviewers to suitable geographical locations based on their home address. Therefore, the offer of an appointment to a position will depend on both the candidate's geographical location and their position on the panel.

Successful Survey Interviewers may be asked to work on a number of different surveys which may include but not limited to the Labour Force Survey (LFS), the Survey of Income and Living Conditions (SILC), and the Household Budget Survey (HBS). The CSO are also recruiting through this campaign for interviewers to work on the new baby cohort of Growing Up in Ireland – the national longitudinal study of children in Ireland which has been following the progress of c.20,000 children and their families since 2006. More information on CSO Household Surveys can be found on the CSO website [Household Surveys - CSO - Central Statistics Office](#)

Job Objectives

Duties and Responsibilities:

Preparation for interviewing/collection process

This involves attending appropriate training sessions as directed by field management/CSO headquarters. Training may be conducted on-site or virtually. This training process involves studying any necessary documentation, learning how to use IT systems and processes as well as testing new questions/processes. A tablet computer and smartphone will be used to manage interviewer workload. Attendance at training is mandatory.

Survey Interviewing/Collection

Survey work requires interviewers to carry out data collection by means of electronic data capture, using a tablet or other data capturing device. Interviewers will be required to transfer data to Headquarters in the manner prescribed for each particular survey.

Interviewers will be expected to meet minimum data collection targets and deadlines as outlined by field management. Interviewers are expected to meet high data quality standards in a timely manner.

Liaison with Field Management/CSO Headquarters

Interviewers are expected to be in regular contact with field management through telephone, email, virtual meetings (e.g. MS Teams) or in-person contact.

Construction Courses

NZEB Awareness Workshop

(Nearly Zero Energy Building) Fundamental Awareness is certified training for more energy-efficient homes/commercial buildings.

Plastering Skills (Basics)

Attain a Level 2 NVQ Diploma in Plastering (equivalent to Level 4 on Irish NFG) with this course, which is designed to help you develop the essential skills required to become a skilled plasterer.

Retrofit Insulation Skills

The course teaches participants about building insulation best practices, covering internal, external, floor and roof insulation, as well as making a building airtight to reduce energy loss.

Dry Lining Diploma

Dry lining is an innovative interior construction technique used mainly for walls and ceilings. It sets itself apart from traditional wet plastering, and is often viewed as a faster, cleaner, and simpler alternative.

Floor & Wall Tiling/Painting & Decorating

The goal of this course is to equip students with the necessary knowledge, skills, and expertise to become proficient at painting, decorating, and tiling floors and walls.

Pre-Apprenticeship Construction Skills

The program provides trainees with a chance to experience various trades and ultimately pursue their chosen Craft Trade Apprenticeship.

- Painting
- Wall & Floor Tiling
- Plastering
- Carpentry & Joinery
- Plumbing
- Electrical
- Bricklaying
- Groundworks
- Healthy & Safety
